### TERMS & CONDITIONS:

- Service is Undertaken at owner's risk only.
- If any item is brought with a specific defect, our estimate will be for rectifying that defect only unless we are asked to improve the general performance.
- Delivery time is only approximate; we will not be liable for any delay for reasons beyond our control.
- Customer shall verify the working condition of the instrument before taking delivery. We are not responsible for any defect that might arise after delivery unless otherwise agreed upon.
- Estimates given by us are provisional and not binding on us. They are liable to be revised; in that case, work will be proceeded on approval of the revised estimate by the customer.
- Taxes and other levies are extra with estimated charges.
- The customer is requested to call after 16 working hours to know the status of the equipment. Customers are also requested to allow an 8 working hour gap for the next call. The request should be made to the corresponding branches.
- Reimbursement of collected service charge (if not repairable) will be done only with the next bill.
- The customer must take delivery within one month. TECHSOUL is not responsible for the material after three months.
- Five Hundred Rupees will be collected as inspection charge in case the customer returns the material without agreeing with the revised estimate (if any).
